

# Is Your Culture “On the Brink?”

- **Workplace Sabotage:**  
Disengaged 'Survivors'  
Undermine Success
- **Pressure Cooker Culture:**  
Staff Cuts, High Demands,  
Distracted Leadership
- **Micromanagement Madness:**  
Metrics Over Well-being  
Sparks Burnout
- **Talent Exodus and Customer Defection:** The Cost of  
Neglecting Well-being

**TRANSFORM  
HOPE  
THRU ACTION**  
*It's what we do*

**HOPE IS HOPELESS  
WITHOUT ACTION**

## HOPE

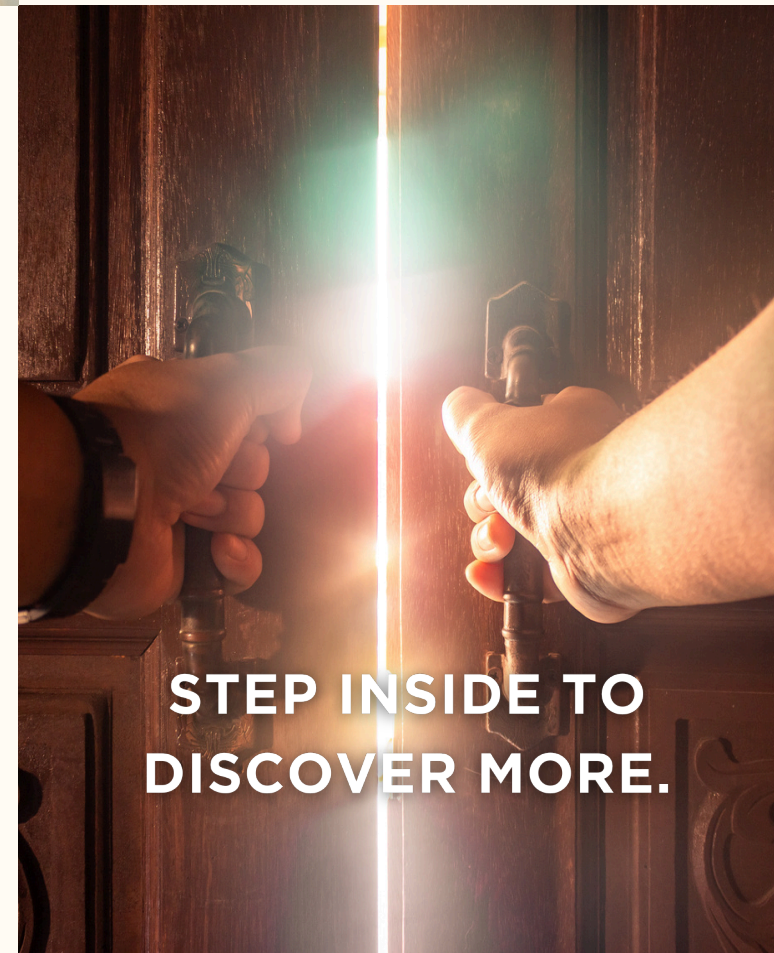

is the **MOST VITAL,  
STRATEGIC ASSET** in the  
tumultuous landscape of  
21st-century workplaces.

## ABOUT US

THTA is a movement led by two progressive companies of social entrepreneurs dedicated to achieving "profit for purpose."

Our combined management, business strengths, skills, experience, and expertise provides a unique approach that integrates hope and action through a comprehensive suite of programs and initiatives.

We're not just another organisation. We're disruptors, redefining how hope is perceived. It's not a passive plea; it's a call to arms.

## OUTCOMES

Employees take meaningful action and personal ownership towards a brighter future.

Effective teamwork, and alignment of individual interests with organisational goals.

Invigorated ecosystem thrives with vitality and growth.

Excited and recognised workforce feels alive and relevant.
